

Sen. Select Com.

75-6854

OLC 75-1344

18 June 1975

LTG Brent Scowcroft
Deputy Assistant to the President for
National Security Affairs
White House
Washington, D. C. 20500

Dear Brent:

We are receiving an increasing number of requests from various congressional committees for Agency testimony on past activities which these committees feel are within their jurisdiction. I am enclosing a list of my appearances on the Hill and requests we have received, either formally or informally, to date. The listing does not include appearances before the Senate Select Committee, or *appearances to present current substantive intelligence.*

We have suggested that since the House and Senate have appointed select committees to inquire into questionable Agency activities, the other committees should not duplicate these inquiries and should defer to the select committees pending the conclusion of their investigations.

Our efforts in this regard are meeting with only limited success and I would urge that in his meetings with the House and Senate leadership, the President reinforce our position in this respect.

Sincerely,

Bill
W. F. Colby
Director
